Through rigorous coursework in small classes and dynamic extracurricular activities, the Intensive English Language Program (IELP) prepares students to achieve their English proficiency goals for academic and professional purposes, as well as for everyday life skills.

THE IELP OFFERS:
- 21 hours of classwork per week in writing, reading, listening and speaking at multiple levels of proficiency from beginner to advanced.
- Year-round 7-week sessions that provide the flexibility to advance more quickly as proficiency improves.
- Targeted enrichment courses that improve specific skills, such as pronunciation, spelling, vocabulary, or grammar.
- A variety of short courses where students use practical English in a relaxed environment. Students will watch and discuss movies, learn English through volunteering, practice American idioms and slang, and more!

ORIENTATION AND ACTIVITIES
- **New Student Orientation:** Get the information and support you need to get started.
- **Conversation Partners:** Practice your English and meet Americans in an informal setting.
- **Cultural and Social Activities:** Connect to other students and to the university through specially arranged activities.
- **Homestay Program:** Live in a homestay while you study and experience American family life.
