Do you want to study at an American University? Immerse yourself in English while learning how to navigate the American university admissions system. In the morning, you’ll attend classes and in the afternoon you’ll explore Philadelphia, America’s first and only World Heritage City.

Learn:
• How to write a college application essay
• How to speak with professors
• About life on American college campuses

Explore:
• Philadelphia’s outdoor music and arts festivals
• Extensive public art displays
• Many of the United State’s oldest historic sites
• New York City and other nearby destinations

Open to students 15-17 years old.
